

ORAL POSTER PROGRAM

Posters that scored highly in the review process (including those featuring ground breaking research and/or those that strongly support the themes of inspire, explore, take action) will conduct an oral presentation to their poster.

Oral poster presentations will be held in a separate area to the poster booths and within its own presentation stream. The stream will run concurrent with the oral presentations. Pre and post presentation the posters will hang in its allocated booth location, receiving full day exposure.

Presenters will have 7 minutes to speak to their poster and 3 minutes of question time.
